

## EMERALD HEIGHTS ACADEMY

Where character counts.

February 2012

Dear Business Owners and Friends of Emerald Heights Academy,

The primary goal at Emerald Heights Academy is to provide an academically challenging and nurturing environment for preschool through 8th grade students with a focus on character and leadership development. We are a not-for-profit, independent school, founded by Catholic educators, conveniently located off I-90 in Bellevue's Eastgate area.

**We invite you to partner with us in providing an excellent education for all of our students by supporting our largest fundraiser, the annual Gala auction. The "Semper Altius" (Always Higher) auction will be held October 20, 2012, at the Marriott Town Center, Redmond.** Every contribution is critical to supporting Emerald Heights Academy's curriculum and programs, as well as providing tuition assistance. Most importantly, your partnership helps Emerald Heights Academy to continue to provide a first-rate education for the leaders of tomorrow.

Sponsors and donors will be acknowledged in our 2012 auction catalog and in our school newsletter. We will also recognize our generous business contributors on our auction website. **Last, but not least, over 250 individuals from the greater Eastside community are expected to attend** the "Semper Altius" auction. Your business will be recognized for your commitment to the community, Emerald Heights Academy and the leaders of tomorrow. This is an incredible way to support a local school, while at the same time gaining visibility for your business in the community.
